

Certification of CPNI Filing February 6, 2006

Pathwayz Communications, Inc. treats all CPNI as proprietary information. Pathwayz was established in October 1999 and has never disclosed any customer-level information for any marketing to any third party since inception. As such, no records exist.

Being a small company (approximately 5,000 voice lines), all outbound marketing is performed at the executive level (president or vice-president only). No company marketing efforts exist outside of this organizational tier.

I, Kevin Ansley, have personal knowledge that Pathwayz Communications, Inc. has established operating procedures that ensure compliance with rule 47 CFR 64.2009. This assurance is based on the fact that all marketing efforts are initiated at the executive level and Pathwayz has never sold any information in its' customer base to any outside vendor.
